

## CONFIRMATION NAME

Confirmation is one of the sacraments of initiation (Baptism-Confirmation-Eucharist). To emphasize the close connection between Baptism and Confirmation, it is strongly recommended that the candidate choose his/her baptismal name for Confirmation. This is the name by which the Bishop will call you when he anoints you on the forehead with the Sacred Chrism. If you choose a different name, there should be a good reason for the choice. The new name chosen must be a biblical or saint's name or a name with Christian sentiments (e.g. Hope)

**The name I wish the Bishop to call me at the time of my anointing with Sacred Chrism during the Confirmation ceremony is:**

If that name is different from your baptismal name, please explain why you are asking for it:
